## **Change of Visit Date of Clinical Experience Exchange in US**

**A visit to Baylor University Medical Center, Dallas &  
Harvard Medical School, Boston**

Dear members,

Owing to the availability of host physicians and the venue, the above program is postponed to **late February / early March 2005**. Because of the change of the date, we decided to extend the deadline of application to **8<sup>th</sup> January, 2005**. The visit will last about a week and the tentative program would be as follows:

Visiting Institution –

1. Harvard Medical School, Boston, USA  
Host Physician: Professor Beverly Philip  
Theme of visit: clinical experience exchange about Sevoflurane
2. Baylor University Medical Center, Dallas, USA  
Host Physician: Professor Michael Ramsay  
Theme of visit: hospital visit and Dexmedetomidine clinical experience exchange.

Members who are interested please complete the Conference grant application form and send to **Dr. Gigi Y.C. Wong, Hon Secretary of SAHK, C/o Dept of Anaesthesia, Princess Margaret Hospital, Lai King, Kowloon** on or before **8<sup>th</sup> January, 2005**. Late applicants will not be considered. Award will be announced in late January 2005 and successful applicants will be informed in writing. For any enquiries, please email me via the Society website
